Hi Tom,

EPA provided the attached "followon comments" to the BOD and pending 100% design report discussed during our conference call last week. Since Erin is out of the office this week, I am forwarding them along. Please let us know if we need to discuss any of the these.

Hi Erin-

We have a few followon comments that ERM and PEO can hopefully address before they submit their revised Basis of Design and other documents. Please forward to them. Feel free to call or email if you have questions. Thanks.

Eva
